To the Class of 1927

We the Juniors of "27" give due credit to the Seniors who in all their High School years have brought fame and renown to our school.

We regret that we shall be separated from them the remainder of our school days, for among them we have found friends, who have made for themselves a permanent place in our memory.

Thus, in due appreciation of their efforts, we bid them farewell with laurels of honor and praise bestowed upon them by the Seniors of "28".

Looking Backward

Owing to the fact that it is necessary for the Cumberlander to go to press by the first of May, the records of the events of graduation can not be included. We are, therefore, taking this opportunity to present the records of the graduation events of the Class of 1926.

The Baccalaureate service for the Class was held in the First Presbyterian Church of Carmichaels. It was a very impressive service. The sermon was delivered by Rev. Kelly Teall of Pittsburgh. Special music was furnished by a male quartet.

The Senior play, "The End of the Lane," directed by Mrs. Anna Cree, was presented on Tuesday evening, June first, at the Community Hall. It was a huge success and greatly appreciated by the audience.

Foreword

After a conscientious effort to interpret appropriately that "Way we have at C. H. S." and with a sincere endeavor to maintain the ideas of those who have gone before, this book is humbly submitted. We have tried to present the truth, but no medium could be found to reflect life fully. However, we hope that in addition to the commonplace and frivolous, something of the noble and serious has crept into these pages, and that in later years when our sense of value has changed, there may still remain that which will bring fond memories of old C. H. S.

To

Ruth M. Cragg

As an expression of our love and admiration, and in recognition of her faithful work for Cumberland High School, and her kind interest shown in all of our activities, the class of 1927 respectfully dedicates this book.

To the Board

We wish to thank the Directors for the opportunities offered us and faithful interest taken in High School activities.

We appreciate very deeply the support of the friends and patrons back of us in social activities and athletic events. We hope that our efforts when we are through school will repay all the interest taken in us.

Administration

From the Principal

The Staff have honored me by allotting to me this space in the CUMBERLANDER, and I wish to use it to express my appreciation of the loyal co-operation of the student body. The Principal usually has as many causes for discouragement as any other person in connection with the school, and it is a great satisfaction for him to know that the great mass of the students are back of him and ready to give him hearty support in everything that is done to make a better school. I thank you one and all for everything that you have done that was helpful to me, to your teachers or to your fellow students.

G. WILBUR KEISTER.

MR. HOWARD LONG, French - History
Bachelor of Science
Waynesburg

We are very glad that Mr. Long has decided to be with us next year for we appreciate the way he has shared our trials and our fun. He has won much popularity among the students by his quiet manner and his big heartedness.

MR. G. WILBUR KEISTER, Principal
Bachelor of Arts
Grove City

Having completed his eighth year as Principal of Cumberland Township High School, we are glad to know that Mr. Keister will be with us next year and we extend our best wishes for his success and happiness. We also wish to extend our thanks for his patience and kindness in all High School activities.

MR. DARWIN P. VENEN, Coach
Bachelor of Science
Grove City

A large amount of our success in athletics is due to our coach, Mr. Venen. We wish to express our appreciation for the kindly interest he has taken in our High School activities and for the patience he has shown in conducting athletic affairs. We are very fortunate in having Mr. Venen with us as he is one of the best coaches in the district. We are very glad to say that he will be here next year for he has won much popularity among the students and patrons of the school.

MRS. ANNA SCOTT CREE, History
Bachelor of Arts
Waynesburg

We regret very much that Mrs. Cree is not going to be with us next year for we feel that she has accomplished much during her two years of teaching here. Besides being very successful in her classes she has won the popularity of the whole student body. We wish her much joy and happiness in her married life.

MRS. RUTH McGUFFIE CRAGO, Latin.
West Virginia Wesleyan

All of Mrs. Crago's students consider themselves very fortunate in having such an excellent teacher and in receiving such interest and attention in class work. Besides being an efficient and excellent teacher she is a "jolly good sport." The student body regrets very much that Mrs. Crago will not be with us next year and every student joins us in wishing her much success in her new position.

MISS ELIZABETH M. SMITH, Mathematics
Bachelor of Science in Education.
Waynesburg.

Miss Smith has been with us a year now and we are very glad that she is to be with us next year. We appreciate very much the interest she has taken in the activities of the students. Although not many of the Seniors have classes under her, she has won many friends among them, and has gained the respect of the whole student body.

MISS FERN McCRACKEN
Bachelor of Arts
Waynesburg

We are very glad to state here that "our" Miss McCracken is coming back next year for she has been very successful in her class work and accomplished very much. She has given freely of her time and talent in all our activities. We congratulate her on her success in directing the Junior Play. She has won much popularity among the students by her winning ways and because she is always willing to help. We wish her much success for next year—success that we feel certain will be hers.

To the Faculty

You are the surgeons of the mind. You cut away the mind's worst infection—ignorance. The operation hurts our pride because you tell us where we have erred and show up our weaknesses. Your most conscientious efforts are misunderstood and we jeer and criticise all that you do, but when the miracle of healing is over, when ignorance is skillfully cut away, then we love and respect you and call you the Greatest of Surgeons.

WALTER LEROY ROSS

Carmichaels, Pa.

"Lee"

Class President; Delphic; Basketball 4 years; Captain '26; Football Manager 4 years; Baseball 2 years.

"TEA TOPER TAVERN"

Lee the class hero, our joy and our star,
Whose athletic powers, won him fame from afar.
A wizard in basketball, daring and cool,
Whose dashing ability, won fame for the school.
As president he led us through our school days,
Served as manager, too, in various ways.
Besides this as you know, Lee's a bonnie fair lad,
With crisp, waving hair, and eyes that are glad.
A mighty good fellow, that the boys call Jake,
Of his future we know a success he will make.

BERNICE MARJORIE RILEY

Carmichaels, Pa.

"Skeet"

Class Secretary; Delphic; Basketball 4 years, Captain '27; Track 2 years.

"TEA TOPER TAVERN"

Another Irisher! Like so many of the Irish, this trim, graceful athletic young lady has a sunny disposition and charming, winning manners. She is very versatile. She knows no equal in C. H. S. at tickling the ivories.

She is as good a basketball player as C. H. S. has ever produced and don't forget she was captain of the girls' team this year. Can she dance? Oh, no, not at all! Skeet takes part in all C. H. S. activities and is a very popular girl. If we had more like Bernice there would be more spirit in this knowledge factory. We hear Bernice is going to teach school next year. She'll succeed all right, but what of the broken hearts she'll cause? We envy the lads who are to be instructed by this blue-eyed, fluffy haired lassie.

HAROLD MARVIN ALLISON
Carmichaels, Pa.
"Lefty"

Delphic; Football 4 years, Captain '25; Basketball 4 years, Captain '27; Baseball 2 years, Captain '26; Editor-in-Chief '26.

"TEA TOPER TAVERN"

Our own "Lefty," famed for his skill in athletics. He is among our most popular men because we like his friendly manner and his pleasant disposition. Meet him anywhere and he'll greet you with a cheery "Lo". He's a hard worker and his ability as a manager ranks high. We might add here that he's a great society man, a good dancer and an attractive conversationalist; nothing of the "hoof and mouth disease about him." He showed us in an important part in "Tea Toper Tavern" that he could act and so he's a prospective hero for Senior Class Play. We wish him all the luck in the world at College.

ANTOINETTE LAIDLEY
Carmichaels, Pa.
"Ditsy"

Cresto; Basketball 4 years; Class Editor '26; Editor-in-Chief '27.

"TEA TOPER TAVERN"

Happy, snappy and as full of life as a dog is of fleas, that's Ditsy. There is nothing dull about school life where Ditsy is concerned. Although Ditsy's report card will show as many A's as any other student's in C. H. S., she does not confine herself to books. She is as good a basketball player as the next one, always fighting to win. She is a fine violinist and, "I wanta' tell yu' she can sure make the fiddle talk." She was a dignified success in our Junior Class Play. Ditsy is a good sport. The loss of her sparkling eyes and cheerful countenance is going to be a jolt to gloom chasers of C. H. S. and there doesn't seem to be a logical successor to her anywhere. She is the life of the party. May the gods always look with favor on this gifted young lady.

WILLIAM BLAIR BAILEY

Carmichaels, Pa.

"Buck"

Cresto; Basketball 3 years; Track 2 years; Football 1 year.

The year 1924 marks the entrance of one of the most brilliant scholars of Cumberland High School. This lad is none other than Blair Baily. We not only remember him for his great mental ability, but recall he is one of those dignified Seniors that we consider good to look at. As an athlete the school has produced none better. He has not only won great honors at Pole Vaulting, but has been a star player on the basket ball team; and taken part in all the athletic activities. To prove the action of his ability one could mate his brilliant spirit by hearing his English recitation. If by some misfortune he fails to have his composition written, he thinks nothing of seizing a blank sheet of paper, facing the class, and presenting his daily work. This is taken care of in such a manner that no one but his near neighbor knows the difference.

HELEN MARGUERITE GIDEON

Carmichaels, Pa.

"Tea"

Delphic. "TEA TOPER TAVERN"

We have been with Tea through the toilsome four years and we have found her always the same good sport, ready for anything, even to sampling pie. Her dark curly hair glistens to correspond with her dark mischevious eyes. To find her a real pal is when the Autumn leaves are falling and mother nature puts on her winter dress, to find her pointing out some famous spot where she has had some former adventure. She will smile and tell you "that's the life" and the enticing smile that creeps over her face tells you there is a pleasant memory lingering yet. She makes a mighty good actress, playing on the stage and in life too sometimes.

WILLIAM HOWARD DUSENBERRY

Carmichaels, Pa.

"Bill"

Delphic; Football 1 year.

"TEA TOPER TAVERN"

Oh, come, you folks, and I will tell
Of the fame of a lad we all know well.
He is one who is an orator, distinction
hath won,
Dan Webster, Pat Henry, and Steve
Douglas all in one.
He is a ladies' man, in fact,
Where there is a girl, he never holds
back.
But he is a blushing, boasting boy
Whose life is always filled with joy.
Many times he has tried and now we
know he is able
But he has never succeeded in kissing
Mabel.

Bill is going to teach school next winter and then attend College. Well, the best of luck Bill and a happy success to you.

AMY JUANITA KERR

Carmichaels, Pa.

"Annabell"

Cresto; "TEA TOPER TAVERN"

The Senior Class is mighty proud to close this long career with at least one blond and that's Amy. We found the most industrious student in the Freshman Class and we have continued to find her thus throughout the rest of these short years. Always the smiling blue eyed girl who seems just a tiny child when she becomes interested in something. When you find Amy it's a sure guess there is _____who else? _____ (We wonder?).

This blond and happy Senior,
Has a manner all her own,
Teachers with all their hard work,
Can't make our Amy groan.

CHARLES ERNEST FARRELL.

Nemacolin, Pa.

"Charlie"

Delphic; Basketball 1 year; Football 3 years, Captain '26; Track '26.

This fluent speaker of our class,
Would fill you with delight;
With grades so high he now will pass,
For truly he is bright.
And here's the lad we'll ne'er forget,
When he leaves us we'll all regret;
For in athletics he does shine,
As an all around player he sure is fine.
A handsome boy you'll all agree,
And quite the sport, just take from me;
For fancy clothes and fancy ties,
Our Charley boy takes the prize.
A ladies' man ? I'll say he is,
It's true he's quite a sport,
In days to come we hope to hear
Of him a great report.
The captain of our Football team,
We honor him with pride,
He'll have no trouble we're quite sure,
To win himself a bride.

LILLIAN JOSEPHINE HORNER

Carmichaels, Pa.

"Jo"

Delphic.

"Jo" is one of our prettiest, sweetest and best loved Seniors. She is snappy and full of fun, but is sympathetic and interested if the occasion requires. She is a joy to every teacher because of the interest she takes in her lessons. Though she is apparently happy and carefree, she is sure to succeed in life. She will make one of our sweetest of "sweet girl graduates."

A pretty, intelligent, friendly lass,
And greatly admired by all of her class.
Always so willing and ready to do,
The highest of tributes we say to you.

DAVID RALPH DELANEY

Khedive, Pa.

"Pappy"

Delphic; Basketball 1 year; Football 2 years.

Ralph is one of our "doughty" warriors of the football field and not so bad at track. He is well known for his pep, goodwill and fellowship and is truly little but naughty. "Pappy" is extremely popular, especially with the female portion of C. H. S. But he is unusually patient and forbearing, even condescending to throw a paper wad at someone now and then as a bored reply to an anxious glance from some blushing maiden. Altogether, Ralph isn't such a bad sort, if he is a Senior.

GRACE IOLA WRIGHT

Carmichaels, Pa.

"Gray"

Cresto. "TEA TOPER TAVERN"

Grace is our pride and joy,
And never a person does she annoy.
She has big brown eyes and demure little ways,
And her soft brown hair is in pretty waves.

A school marm Gracie will be next fall and we are sure from her success in High School that she will be an efficient teacher. Good luck, Gracie.

WILLIAM A. REYNOLDS.

Carmichaels, Pa.

"Bolt"

Delphic; Football 2 years.

Sleepy Bill spends most of his time in this manner. He is a demon on the football squad and a demon with the girls also. He is tall, has dark eyes and dark hair and the sweetest little sideburns that ever grew on the sides of anybody's head. Is he good looking? . . . . well you just bet he is. Mary Jane thinks so anyway. Bill, with a smile for everyone is a good sport even if he does nap occasionally. Just ask the Senior Class if it could part with him. Huh?—I should say not.

LILLIAN RUTH SNODGRASS

Rices Landing, Pa.

"Ruthie"

Cresto. "TEA TOPER TAVERN"

'Twill be a winter's day in June
When "Ruthie" will be still;
But e'en for that she's kind and good
And never treats us ill.
The fellows like her 'cause she's nice,
Well could you blame them?—I guess not,
She helps make life worth while.
With rosy cheeks and pretty hair,
Indeed to us she seems quite fair.
And all for "Ruthie" this earth does hold,
Much happiness and joys untold.
A splendid student is our Ruth,
Industrious as can be,
We know that she'll succeed in life
She's got ability.

CLYDE A. CUNNINGHAM

Carmichaels, Pa.

"Pedro"

Cresto; Football 3 years; Track 3 years.

Pedro Cunningham, "The Grand Old Man!" He is tall ,and rather large of build, with black piercing eyes and hair as black and glossy as a raven's wing. He has a very jolly disposition and he is inclined to be rather foppish at times. He believes in the theory "It is better to have loved and lost than never to have loved at all."

MARGARET E. CUNNINGHAM

Carmichaels, Pa.

"Peg"

Delphic.

"Peg" is a short little miss with loving brown eyes and black, glossy hair, and her manner is very graceful. She has a pleasing disposition, is affable and is always willing to aid any of her classmates in their "Lecons de Francais". She is an all around student and has the ambition to become a French teacher. We wish you all success "Peg" in teaching your students to "parlez-vous."

CLYDE LESLIE FORSYTHE

Nemacolin, Pa.

"Les"

Cresto. "TEA TOPER TAVERN"

Les is like Peter Pan, never grows up,
Some call him a kid, some call him a nut,
But Les is the pep of the whole Senior Class.
Always breaking the heart of some pretty lass.
He never is gloomy, even jolly in strife
Here's hoping that Les laughs his way thru life.

MARGARET ELLENE RICHEY

Carmichaels, Pa.

"Richey"

Delphic; Basketball; Track 2 years Cheer Leader.

"M" is for Margaret, a maiden fair,
Whenever she tramps on the gas she always gets there.

"Richey," as she is sometimes called, is a lass with black, bobbed hair and brown eyes. She is a member of "wonderful" basketball team and always has a smile for everyone. Her rule of conduct is "take what comes and grow fat." She was our cheer leader and certainly filled the position well, because of her jolly disposition.

HOWARD L. W. FORSYTHE

Nemacolin, Pa.

"Harding"

Cresto. "TEA TOPER TAVERN"

He thinks more of that "Chevy" than a turtle does of his own shell. Besides this he has a smile for everyone. As a science student, his ability can be compared with those of Archimedes Socrates or Sir Isaac Newton. No one has more spirit of "get there" than Howard. Iron bound determination, self control, and rigid honesty assures us that Howard will be a success. Howard will probably be a student at Allegheny College next year. We are sure he will be successful in college. May happiness and good luck go with him is the wish of all his classmates.

SARAH ELIZABETH ROSS.

Carmichaels, Pa.

Libi"

Delphic.

This little curly haired girl came from the country and she is as sweet as the apples that grow in her father's orchard. She is a shy, demure little miss, who works long and earnestly. She likes a certain Junior and is often seen in his company. "Libby" is a great movie fan. Ask her anything about any star and she'll tell you what you want to know. She intends to attend a "Prep" school and then go to Wellseley for the finishing touches. We wish you luck "Libby" and hope you have a successful journey thru life.

JACOB EUGENE YODERS

Khedive, Pa.

"Jake"

Delphic; Football.

"Jake" is one of our studious Seniors. Nothing is too hard for him to try. He has the regular fighting spirit and therefore became a great football star. Our "Jake" is very popular with the ladies—popularity that was won by his pleasant manner and winning smile. Ask him to tackle some obstacle and he'll reply "Sure." It has been interesting to watch his progress from a "green freshie" to a dignified Senior and we are watching for your star to rise high into the sky "Jake."

MABEL GROOMS.

Khedive, Pa.

"Shorty"

Delphic.

"Short and Sweet" we call her. A quiet, studious girl in school—but the gleam in her bright, brown eyes speaks for itself. Her congenial nature makes her very popular with the girls—and boys. Mabel is endowed with a keen sense of humor and a broad smile, accompanied by a giggle, shows her appreciation for something funny. Mabel plays the "fiddle" and we know that sometime she will be a famous violinist. It's her ambition and she has the kind of a nature to see things through.

CHARLES BEAM.

Carmichaels, Pa.

"Beam"

Creste; Track.

This husky lad is not so big,
Yet he is very bright;
In all his work what e'er he does,
He tries to do just right.

"Beam" is the only "red head" in our class. He is a happy, care free lad, very good natured and full of fun. He is one of our big track men and we are hoping he will win the long distance run in the Spring meet.

MARGARET E. FORSYTHE.

Nemacolin, Pa.

"Peg"

Delphic "TEA TOPER TAVERN."

"Peg" is from Buckeye. I suppose that is why she is peppy. I have never yet seen anyone from there quiet and meek as a lamb. But nevertheless she's a pretty good kind of a lass. She is short, her hair is black, her eyes are brown. She is very popular—especially with the boys; she vamps them, you may guess, and at bl:ffing the teachers she is a professional. She has a personality that attracts all who meet her.

HAROLD EDWIN HART

Carmichaels, Pa.

"Miles"

Cresto

A quiet lad, not much to say,
Though studious as can be;
He'll make his mark, in life some day,
Just wait, and you'll see.

Harold is a good sport as we all know and we feel that we couldn't get along without him. Do we all agree that he has the best disposition in school? Yes, indeed.

LILLIAN IRIS WATERS.

Crucible, Pa.

"Lil"

Delphic

Lillian is a Crucible lass
The way she studies takes the cake,
And we're all sure that next fall,
A successful school marm she'll make.

As this poem suggests, "Lil" is a very studious girl and has worked hard all four years. Everyone likes her quiet modest ways and we'll bet she never received less than "A" in deportment.

GLADYS I. McLAUGHLIN.

Nemacolin, Pa.

"Glad"

Delphic

In the year 1924, this quiet little lassie came to C. H. S., only to become one of its many outstanding students. She is of medium height, fair complexion, and sparkling gray eyes, and dark brown hair. She is easy going, very quiet, peaceful little girl, and never speaks only when really and truly necessary.

A classy model she would make,
For draping garments gay;
Kind words of praise and gratitude
We'll always for her say.

AMANDA ELLEN CRITCHFIELD

Carmichaels, Pa.

"Jack"

Delphic

"A" is for Amada, short and stout,
When she gets angry she never pouts

We all like Amanda for there is something winning in that quiet little smile which makes you want to know her better. She came to C. H. S. from Brownsville as a sophomore. This quiet, kind, studious girl never shirks her duty but always aims to do right and is willing to lend a helping hand to any one. We wish her success in life where ever she may go.

OLIVE GRINAGE.

Rices Landing, Pa.

"Olie"

Cresto

Olive is a tall, well built young lady with dark brown eyes, and black hair. She has a kind, quiet, affectionate disposition and very pleasing manner, always willing to aid anyone who asks her service. She is a very talented pianist, a good French student and unexcelled in English. She is a good, all-around student. Her motto is "Self-Reliance." Her ambition is to become an expert violinist.

HENRIETTA GRINAGE

Rices Landing, Pa.

"Henri"

Cresto

Henri is at the end of her High School labors and about ready to enter a field of new associations and interests. Her cheerfulness and friendliness have won the heart of all. She is one of those girls whom we see and hear mostly during class periods. May happiness and joy continue through her life is the wish of all her loving friends.

"Wisdom is more precious than rubies and much finer than fine gold."

Junior Class History

On September 1, 1924, fifty-five green freshmen trooped up the steps of Cumberland High School Building, downcast and frightened at the prospect of entering the mysterious place. We wished ourselves back in the eighth grade, or any place to escape the meaning glances and pointed remarks of the upper classmen. Looked down on by the Sophomores, pitied slightly by the Juniors and entirely ignored by the Seniors, we felt belittled and insulted. Nevertheless we flourished and soon became accustomed to the ways of the school.

A few weeks after our entrance into school we were ordered to attend the Freshmen Reception, and according to the comments of the upper classmen we thought we were going to be sent to the hospital; but we got through the ordeal splendidly.

We furnished some promising members for the athletic teams, and enjoyed ourselves throughout the year, rejoicing in the fact that we, as humble Freshmen, had furnished some material that helped to bring our school up to its place among the highest. June came and we, although enjoying school life, were glad to accept our vacation and we happily looked forward to a promising Sophomore year.

The fall of '25 found us back in school again with our number slightly reduced—we were forty-three in all. We immediately assumed a haughty, insolent manner toward the Freshmen, just as the previous Sophomores had done, and we eagerly planned for the annual reception at which we would have our fun at the expense of the Freshmen. After the first month the rest of the year was uneventful, for we were just awakening to the fact that being a Sophomore was no small task. We got through our second year rather well, winning several prizes in various contests.

Last fall found us back with a still smaller number. Having chosen our subjects, and being better informed of our work, we immediately concentrated our minds on the still harder and more valuable work of Juniors. Our constant work was relieved by brilliant basketball games and interesting social events. Our third year is now about to close, and we feel sure that we have made quite an advancement in all lines of study and otherwise. We gave our class play on April 13, and it was a brilliant success, which we hope will herald the approach of a new Senior class as the old passes to the new realms of life.

JUNIOR DON'TS.

Don't go to chapel—what's the use?
Don't start to classes before the bell rings; the shock of being there on time might kill the teachers.
Don't use the paper baskets; you might wear them out.
Don't recite too often; you might get a bad reputation.
Don't whisper; avoid straining your neighbor's ear drums. Speak distinctly.
Don't chew gum in Smith's period; it's a waste of time and money.
Don't pour your coffee in a saucer to cool; you can get more in a plate.
Don't stay awake in a class unless it is necessary. Sleep is healthful.

"NONE SENSE."

"EYES AHEAD"

Wistful little freshie,
Stretching out your hand
To where the skies gleam "rose and gray"
In the grown up juniors' land;
Long and weary seems the way,
Much too hard for you;
Heavy drags each passing day
Till your dreams come true.

Yet far sooner than you know
Time will pass you by;
Years will swift and swifter go,
Days will fairly fly.
Soon you pensively will stand
On the winding track
That has led to junior land,
Looking fondly back.

Then the skies will not be fair
As today they seem;
Not a shadow anywhere
Of your golden dream;
So behold and see as you pass by,
As you are now so once was I;
As I am now so you must be;
Prepare for the worst and follow me.

SOPHOMORE CLASS.

"SLOW POISON" —:— SOPHOMORES —:— "HARD TO TAKE"

Class History

Well, here we are back in Dear Old C. H. S. with one year gone by and off on our second with a great success and with the unfailing help of Miss McCracken and Miss Scott we are bound to win a place among our upper classmen. Our class now is comprised of thirty members from Carmichaels and vicinity, fourteen having deserted us during vacation. We feel a little more dignified this year because we can look down upon those innocent little Freshmen.

Melvin Forsythe won first place in first year Algebra and Margaret Hart third place in first year Latin, at Waynesburg last year. We hope we have the same honor this year. We feel that the few years we have been here in C. H. S. we certainly have played our part along the athletic line. We had six members of our class on the Football team this year, three of which were members of the playing team. Harleigh Flenniken, our vice president, was a varsity forward on the Basketball squad, besides two other men of our class as substitutes.

We also feel that it is our duty to recall the fact that the Sophomores are with one and all in all activities of C. H. S.

We now bid farewell to our sister class, namely, the Seniors, with the best of Luck, Health, Happiness and Prosperity that can be had.

CLASS SONG

Sophomore Class, Sophomore Class,
We're the class with pep,
All the others have to rush
And shove to keep in step.
Sophomore Class, Sophomore Class,
Loyal, fine and true;
Tell the folks we're here today,
The class that will go through.

Miss Nancy Forsythe.

(Tune, Jingle Bells)

CLASS POEM.

We of the Sophomores want to be
Above the rest in Class history.
When they stick us up in line
We'll be with you all the time.
No matter how they make us work
We will never stop or shirk.
When in this world's Hall of Fame,
And a place in it we have won,
With C. H. S. below our name,
Black marks against us we have none
For we're as happy and full of glee
As any Sophomore ought to be;
And a hope that is fond within us
Is a hope we try to fulfill
That hope is our motto now, watch us—
"We can and we always will."

THE SOURCE OF GREAT DEEDS.

All the Farmers and the Merchants of today,
When questioned very close will say
That the knowledge they possess
They got from Dear old C. H. S.
"They're proud of it."

Woodrow Wilson, of world war fame,
Could do a lot more than write his name.
He won the war and he'll confess
He acquired his knowledge at C. H. S.
"He's proud of it."

Abraham Lincoln freed the slaves,
Helped the Indian squaws and braves.
Where he got his knowledge we can guess—
He graduated from C. H. S.
"He's proud of it.'

Mr. Long, of study hall fame,
"NO TALKING" is his middle name.
No wonder he cannot progress—
He got his knowledge from W. H. S.
"He's ashamed of it."

FRESHMAN CLASS

Class History

Future students of history will be obliged to burden their minds with a new date, for on the thirteenth of August A. D. 1926, a new era dawned like a rising sun upon the fortunes of Carmichaels High School. On this auspicious day, boys and girls, swarming in from the four corners of the earth, became the freshman class. They brought with them all the hope and ambition they had, and it is a wonder one building was able to hold so much. No sooner were the serious tasks assumed, than the Sophomore decided we needed a taste of pleasure, which they furnished by a reception. Never will we forget the pranks and games of that occasion. We felt we had been given a warm reception.

By this time we felt that some action ought to be taken to overcome a certain stigma which jealousy was trying to fasten upon us. Why it was rumored that we were of a verdant hue will never be known, but we settled the matter once and for all by choosing gold and black for our colors.

We soon discovered the need of an executive—a strong hand to guide our forces. The resulting election was a model of its kind. There was no violence or bloodshed, and so far as is known, bribery and corruption employed was no greater than is customary in elections of high office, and Lowell Guesman was declared the president.

There now followed a period of industry and achievement. We point with pride to Violet Steele who rose from obscurity to an honored place on the basketball team. We also developed a great deal of athletic skill which will no doubt be of great service in the next three years.

While we modestly refrain from blowing our own horn yet we are very proud to hear it said that the Freshman Class has set a new standard of intellectual achievement. No doubt some future astronomer, or linguist of great renown is at present a humble member of the Freshman Class. So far, however, none of us has written a dictionary or calculated an eclipse.

With deep regret we bid farewell to the Seniors. We pledge our utmost loyalty to Cumberland High, and extend our best wishes for the bright success of the Cumberlander.

Activities

The Literary Socities

Every Friday afternoon has seen one of our noble literary organizations in action.

Cresto and Delphic have each won new adherents and new laurels in the school year of '26-'27 and have every reason to look forward to a successful future.

The programs have followed the usual line-up of High school literary programs, consisting of readings, essays, original stories, orations, select and original, discussions of current topics, extemporaneous speeches, musical numbers and debates.

A variety has been the rule. We have thought and meditated. We have smiled and laughed aloud. We have wept tears and wept gallons, stimulated by the genius of those performers. We have decided momentous questions. We know, beyond the shadow of a doubt, that "it is better to have loved and lost than never to have loved at all"; that "Evangeline ran only true to form when she refused to abandon the search"; that "if we must suffer the loss of either the wash or the bath tub, the former must be "it"; that "the United States should cancel the war debts"; that "the Philippines should have their independence"; that "Mathematics trains the mental faculties where Latin fails".

The literary program certainly serves High School students. The lesson of poise and of presence, of polite attention, of parliamentary procedure, of sympathy and understanding are more adequately taught through the medium of the weekly literary society than they could possibly be by any other instrument.

May these organizations of Cumberland Township High School continue and better their service, for people who think when they should do that, and laugh when they should do that, and weep when tears are real, are worthy, happy, genuine people and we would be that.

Junior Play

The class of '28 presented their annual Play in the Carmichaels Amusement Hall on Wednesday evening, April 13th. The play "Green Stockings," a comedy in three acts, offered much amusement to an appreciative audience which filled the hall to its capacity. The entire case was well chosen for their respective parts and sure "did their stuff." The play was under the direction of Miss McCracken, teacher of English, and this being her first production of this type, we feel she is to be congratulated.

Athletics

It was a Grand and Glorious Year for

C. H. S. ATHLETICS

Football

With the bell summoning the students of Carmichaels High to enter the fall term of 1926, came the annual summons to the Football Field.

Under the supervision of Coach Darwin P. Venen, former Grove City star, the local high team had a very successful season. It was the second successive year at the local school for Coach Venen who is one of the best coaches in this district. He will be with us next year and is expecting to turn out more brilliant teams.

The local Redbirds won six, lost one and tied one . The following are the names of the regular team:

Harold Allison (Captain) ---------- Left End
Charles Farrell (Captain) ---------- Left Tackle
Milton Ruttenberg ---------- Left Guard
William Reynolds ---------- Center
Russell Crago ---------- Right Tackle
Paul Hart ---------- Right Guard
David Brown ---------- Right End
Lawrence Williams ---------- Quarter Back
Ralph Delaney ---------- Left Half
Blair Bailey ---------- Right Half
Ben Donley ---------- Full Back

Others on the team were Dick Hathaway, Al Cree, Jake Yoders, Bill Dusenberry, Ken Crumrine, Paul Longanecker, Mel Forsythe, Wally Paller, Arvel Headley, Orve Dayton, Loraine Jensen and Billie Hesse.

The team will be hard hit by graduation as no less than ten will be lost from the football team. Leroy Ross, who has successfully filled the manager capacity will also graduate this commencement.

Those graduating are Captains Harold Marvin Allison and Charles Ernest Farrell, end and tackle respectively; Blair Baily, Ralph Delaney, William Reynolds, Bill Dusenberry, Jake Yoders and Leroy Ross, manager. They are the ones whose places will be hard to fill.

Coach Venen will have the following players back next year: Hathaway, Cree, Dayton, Hart, Paller, Headley, Brown, Crumrine, Forsythe, Jensen, Hesse, Ruttenberg, Crago, along with several promising frosh, and Ben Donley, the big full back.

Ben Donley, star full back, was elected Captain for next season.

FOOTBALL SQUAD

The Big Game

The big game of the season was the one with Nineveh, which our Redbirds won, 13-0. The game was played on a sea of mud and the Redbirds fought like tigers. Every member on the team played well with Ben Donley and Dolly Williams scoring touchdown.

Captains Harold Allison and Charles Farrell, Lawrence Williams, William Reynolds, were seniors to end their football careers in this game.

Basketball

Soon after the close of the football season, the call for Basketball candidates was issued and a large number of candidates responded to the call.

In spite of the fact that Bill Condit and Paul Morris, two of last year's regulars had graduated, Coach Darwin P. Venen, former Grove City star, produced a team which was rated the best class B team in Western Pennsylvania. The team was made up of Lee Ross, Senior, and Harley Flenniken, the big Sophomore, at forwards; Ben Donley, Junior, at center, with Capt. Harold Allison, Senior, and Dick Hathaway, Junior, at the guard positions. The team had good reserve material in Blair Baily, Ralph Delaney, Charles Farrell, Ralph Ross, Albert Gwynne, Kenny Crumrine, Paul Hart and Paul Longanecker.

Carmichaels won 21 out of 25 games played. Reached the semi-finals in the Waynesburg Tournament, making it two years straight that they have lost out in the semi-finals.

Among its greatest victories were two over Redstone, champions of Fayette county and a five point victory over Charleroi, winners of Section 6, W. P. I. A. L.

Captain Harold Allison was chosen all-tournament guard at the Waynesburg Tourney.

C. H. S. will lose through graduation Capt. Harold Allison, who has been a regular four years, and Lee Ross, last year's captain and who is one of the best forwards to ever represent C. H. S. Ross held the record of Washington and Greene counties for field goals in one game, the flashy forward caging 13 field goals in the West Bethlehem game.

The team will lose valuable substitutes due to graduation. Those graduating are Buck Baily, Ralph Delaney and Charles Farrell.

Harley Flenniken is one of the best shots playing High School basketball and much is expected of him next year.

Ben Donley is a whale of a center and certainly can play that defense. He should be better than ever next year.

Dick Hathaway was one of the best guards in the district, being a star on both the offense and defense. He, too, will be back next year and Coach Venen is expecting big things from the Vine street lad.

C. H. S. PROUD OF COACH VENEN.

The whole student body of Cumberland Township High School is proud of Coach Darwin P. Venen, whose athletic teams during the past two years have ranked with the best in the State, his teams having won 46 and losing only 13 contests. Mr. Venen will be back next year and his following are expecting another banner year. When it comes to teaching, he ranks with the best.

OUR GREAT VICTORY OVER CHARLEROI.

Charleroi High was the winner of section six of the W. P. I. A. L. and had won twenty-one out of twenty-three games played. They came to Carmichaels expecting to add another victory to their string, but got badly fooled as Coach Venen's lads played as they had never played before. The Amusement Hall was packed for the biggest game of the year and the fans roared their approval as Capt. Allison and his men came upon the floor.

Steve Stephanian's Charleroi team came out in their brilliant red uniforms and were just figuring another game won. The teams lined up at 8:15 with Dan Dougherty refereeing. Carmichaels led at the end of the first quarter, 2-0; at the half the old gold and blue were still leading, 5-2. At the start of the third quarter Charleroi spurted and tied the score at 5-5, but this was short as Harley Flenniken shot in a nice one from the side and with Ben Donley's spectacular field goal and two fouls, the locals were leading 13-8, at the start of the fourth quarter. At the start of the fourth quarter Decoster, All W. P. I. A. L. forward, dropped in a long one to make the count 13-10. At this point Capt. Allison called time out and the Gold and Blue lads got their heads together and came back with more fight than ever. On the first play Ben Donley threw the old ball in to Capt. Allison from out of bounds, who dribbled past Decoster and shot a beautiful field goal, making his second one of the game. The count now stood at 15-10. The Venen men fought like tigers and held Charleroi to the end of the game which marked a victory for the Carmichaels team.

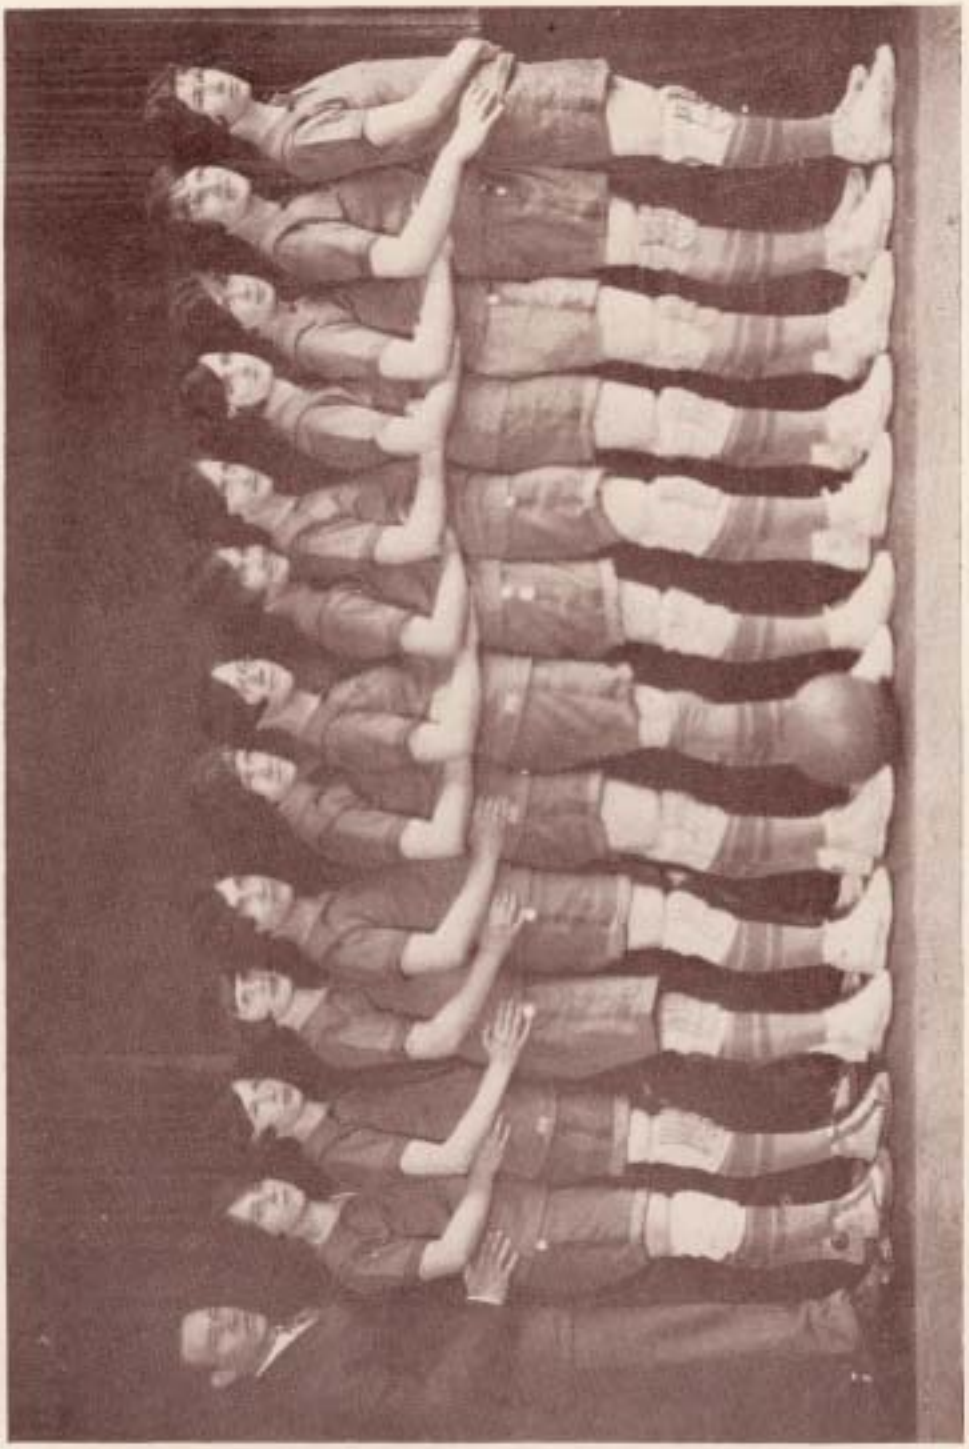
Much credit for this victory was due Coach Venen as he had his players in the best of shape and had them fighting all the time. To pick one star in this game would be impossible as every one played fine. Captain Allison and LeRoy Ross played their last high school game, Captain Allison holding the famed Decoster to one field goal and getting two himself. LeRoy Ross, star forward, played the best floor game of his career: The lineup:

Carmichaels—15		**Charleroi—10**
Flenniken	Forward	(Capt.) Decoster
Ross	Forward	Michener
Donley	Center	Butler
Allison (Capt)	Guard	Schultz
Hathaway	Guard	Dubnansky

Field Goals—Allison 2, Donley 1, Flenniken 1, Butler 2, Schultz 1, Decoster 1.

Fouls—Carmichaels, 5 out of 12; Charleroi, 2 out of 8.

Referee—Dan Daugherty, Pittsburgh, Pa.



GIRLS' BASKETBALL SQUAD.

Girls' Basket Ball

The girls responded to the call with a large number of candidates, among them only two of last year's regulars. Bernice Riley and Antoinette Laidley were the nucleus for this year's team.

Coach Venen, aided by the girls whose whole hearted support built up a team that was not taken lightly by any team on their schedule. In spite of the fact that they were handicapped their season turned out to be a success. Their victory over Redstone and Bentleyville High School Girls helped much towards the end they had in view, to make the season the best in the history of the school.

Bernice Riley was caplain of the team and along with her classmate, Ditsy Laidley, certainly proved to be real athletes and good sports. Those two grand Seniors played great games through their High School career and climaxed the season by playing their last and best game against Bentleyville.

The team was composed of—

Bernice Riley	Side Center
Antoinette Laidley	Guard
Margaret Richey	Center
Mary Guseman	Center
Annabelle Crago	Guard
Violet Steele	Forward
Florence Condit	Forward
Viola Steele	Forward
Francis Fuller	Side Center
Lottie McMinn	Guard
Evelyn Barclay	Guard
Lucille Barcley	Guard

Baseball and Track

Base Ball and Track, the two big spring sports at Carmichaels High are both flourishing. The baseball team is practicing daily and will play several games. The team will probably be composed of the following players: Delaney and Dusenberry, catchers; Donley, McCann and Cree, pitchers; Moredock, Ross, Cree and Flenniken will compose the infield. The outfield will be composed of Allison, Hathaway, Paller or Longanecker.

Games will be played with Nineveh, Mapletown and several other high schools of this section.

Track is flourishing more this spring than ever before and the team this year promises to be better than ever. Coach Venen has a large squad out practicing each night, and every man will have to work for his position.

The men out for track and who are showing up well are Ben Donley, star weight man and runner; Al Cree, star runner; Buck Bailey, crack pole vaulter and high jumper; Harleigh Flenniken, Les Forsythe and Paul Hart, high jumpers; Charles Farrell, Charles Beam, Paul Longanecker and Orvile Headley, distance runners.

The girls' track team is also showing up well and much is expected of them in the coming meet. Those out for the team are Riley, Steele, Barclay, Fuller, Richey, and several promising freshmen girls.

GREENE COUNTY MEET TO BE HELD AT CARMICHAELS FAIR GROUNDS

The Track and Field meet for high schools of Greene county will be held at the Carmichaels Fair Grounds Saturday, May 7. Teams represented in the meet will be Carmichaels, Mapletown, Nineveh, Rogersville, Mount Morris, Jefferson, Aleppo, Wind Ridge.

Teacher—Charles, tell me what you know about the Mongolian race?
Charles (hastily)—I wasn't there, I went to the ball game.

A STATEMENT

In order to build up the tire sales so that the standard make of tires may be purchased at lower prices, the local management offers the following attractions:

Only half price is charged for Vulcanizing, Repairing or Changing all Tires and Tubes purchased here.

I sell only the standard makes and this holds good on all that I sell.

IN C. H. S.

If you want to write take a sheet off the bed.
If you get hungry at night, take a roll in bed.
If you want a teacher wring a towel.
Students wishing good board will please call the lumber yards.
You can't get a square meal, we serve from round tables.

W. E. P.—"In Ohio they don't hang men with wooden legs."
A. Headley—"No?"
W. E. P.—"Nope; they use a rope."

Kenny—"How did you lose that tooth?"
Dick—"Changing gears on an ear of corn."

Mr. Long—I ran across a friend of yours last week."
Pat—"Hurt him much?"

There was a girl named Florence,
Who for kissing professed great abhorrence.
But when she'd been kissed,
And found out what she'd missed,
She cried till the tears came in torrents.

Moral: Water ever so hot will still quench fire.

Florence—Shoo those flies that are on my neck.
Ralph—Do I look like a blacksmith?

Albert Gwynne—"Say, dad, is coffer-dam a bad word?"
Dad—"Why no, Albert, that's merely a construction word, but why?"
Albert—"Well, Miss McCracken has a bad cold and I wish she would coffer-dam head off."

To hustle when you want to,
And to hustle when you don't;
To say, I can, I must, I will,
When you want to say I won't;
To push with all your might and main,
And stop with nothing less;
Will swing that old heavy gate wide,
That leads to true success.

Who said it first:
Cut out the monkey business ---------- Bryan
Aw, dry up ---------- Volstead
Step on it, kid ---------- Sir Walter Raleigh
The more the merrier ---------- Eve
Let 'er burn ---------- Nero

Prof. Keister—"Harold, you are always behind in your studies."
Harold—"Well, sir, if I wasn't I couldn't pursue them."

The codfish lays a million eggs, while the helpful hen lays one
But the codfish does not cackle, to inform us what she has done.
And so, we scorn the codfish coy, but helpful hen we prize;
Which indicates to thoughtful minds, that it pays to advertise.
